 Arlington, Texas 76019
 Email: campbell@uta.edu

Invoice No.: V-53
Date: 28 April, 2015
Loan Period: 6 months (due: 38 Oct., 2015)
 Prepared by: Emily Lannoye
 Approved by: Emily M. Braker

NOTE: All wet specimens are stored in 70% ethanol unless otherwise noted.

MATERIAL (As appropriate, state catalog numbers, name, locality, collector, etc.)

One (1) *Rhadinella schistosa* and three (3) *Ophryacus undulatus* (=Bothrops undulatus) specimens from the UCM Herpetology Collection, preserved in 70% ethanol.

Note: Shipment is the second of two, representing half of the UCM holdings for this particular taxonomic series. The first installment is documented under UCM loan V-34.

UCM 40071 *Ophryacus undulatus*, Mexico: Oaxaca: San Felipe del Agua, Cerro San Felipe (1969)
UCM 52588 *Ophryacus undulatus*, Mexico: Oaxaca: Cerro San Felipe (1971)
UCM 52589 *Ophryacus undulatus*, Mexico: Oaxaca: Cerro San Felipe (1971)
UCM 39990 *Rhadinella schistose*, Mexico: Oaxaca: Vista Hermosa, Comaltepec, Ixtlán (1969)

Purpose: Review of geographic variation in *Ophryacus undulatus* and *Rhadinella schistose* based on morphological analysis.

Instructions: Keep the specimens hydrated in 70% ethanol and in secure locked storage while not in use. Dissection and other types of destructive analysis or tissue sampling are not permitted without Collection Manager's prior approval.

Total No. Specimens: 4

INSTRUCTIONS TO RECIPIENT:

Loans are made for six months unless stipulated above. When returning material, please mention the original invoice number. Types sent on loan must be returned by Registered Mail or UPS.

Received in good condition by:

Date _____

PLEASE SIGN, DATE AND RETURN to CU Museum
