This loan contains only parts; you can manage everything here.

Remove ALL PARTS from the loan. This form will NOT work with any "on loan" parts; use the disposition-updater first.

**Sure?**

**Subsamples**

**REMOVE EVERYTHING**

Change disposition to:  when disposition is  for all items in this loan, including those not shown on this page. **Update Disposition**

"Barcode" is the barcode of the container holding the part, or when enclosed in square brackets the barcode of the container holding the part from which the loaned part was subsampled.
