

Blue Biobank UA Terms of Use

By accessing content from the Blue Biobank UA, including but not limited to all data, documents, and website content, you accept and agree to be bound by the following Terms of Use:

(1) Intellectual Property: All content made available to you by Blue Biobank UA (the “Content”)—including but not limited to original data, text, images, audio, video, data, software, content presented in multimedia formats—is the intellectual property of the University of Aveiro (UA). UA retains all rights, including copyrights, to the Content, subject to the limitation that copyright and other proprietary rights may be held by individuals or entities other than, or in addition to, UA. To the extent data and other content made available to you by Blue Biobank UA is not protectable by copyright, your access to said content is conditioned upon your acceptance of the terms of this User Agreement, including the use restrictions set forth below.

(2) Limited General License: You will not reproduce, distribute, display, perform, or engage in any other use of the Content, except as necessary to accomplish a bona fide, noncommercial educational or research purpose (“Licensed Use”). Copying or redistributing Blue Biobank UA Content in any manner for commercial use, including commercial publication, or for personal gain, is strictly prohibited without specific written consent. If you engage in a Licensed Use of the Content, you will make appropriate attribution of the Content. A citation that includes the language “Blue Biobank UA, University of Aveiro” will be sufficient attribution for purposes of this User Agreement. For Content obtained from Blue Biobank UA website, you shall additionally reference the website’s URL. For content obtained from Blue Biobank UA Arctos database, you shall additionally reference the database URL.

This agreement applies to Blue Biobank UA Content obtained from Arctos as well as from secondary biodiversity information sources (e.g., OBIS, GBIF, GGBN). Blue Biobank UA records obtained from such sources are suitable for data discovery, but should be verified against the Blue Biobank UA Arctos database, which will include the most up-to-date information.

(3) Use of Third-Party Content: To the extent the Blue Biobank UA Content incorporates the copyrighted material of third parties (“Third-Party Content”), you agree to make only such Licensed Uses of said Third-Party Content as are consistent with copyright law. UA does not guarantee that any use of Third-Party Content will not infringe the rights of the content owners.

(4) Disclaimer of Warranties/ Limitation of Liability: UA makes the Content available free of charge and to the fullest extent permitted by law disclaims all warranties of any kind (express, implied, or otherwise) regarding the Content, including but not limited to implied warranties of merchantability, fitness for a particular purpose, and noninfringement. You access Blue Biobank UA Content and/or website at your own sole risk and in no event shall UA or its affiliates, agents, officers, directors, or employees be liable to you, in contract, tort, or otherwise, for any damages of any kind arising out of your access to the Content and/or the website.

(5) Indemnification: You agree to indemnify and hold harmless UA and its affiliates, agents, officers, directors, and employees from and against any and all liability, loss, claims, damages,

costs, and/or actions (including attorneys' fees) arising from your use of the Content, Blue Biobank UA website, Blue Biobank UA database, or Blue Biobank UA collection.
